

It's Not Just Covering the Material

Live Web Presentation: Thursday, July 20, 2023. 2 pm Eastern

Synopsis:

This session will address ways to create a culture of learning by using techniques that reach more of the students and which integrate “checkpoints” so that adjustments can be made to provide better and more timely support to students. The presentation will include:

- Value-added: “Why come to class if it’s in the book anyway?”
- Understanding the varying needs of the learners.
- Designing lessons to meet the needs of the weakest students.
- Utilizing techniques that actively involve the students in the learning process.
- Using checkpoints and making adjustments.

Presenter: Deborah Kell, Higher Education Consultant. consult@dkell.us
