

## Miranda Mejia Bio

Miranda Joie Mejía is a graduate of Clara Barton Highschool for Health Professions with the third highest average of her year in Spring 2020. Despite her senior year being turned completely online due to the COVID-19 pandemic, she also took AP Biology and AP Literature, was a part of the National Honor Society for Highschool Students and completed the Health Science Academy at the Arthur Ashe Institute of Urban Health where she discovered her love for mortuary science.

At SUNY Canton, Miranda is studying her passion, funeral service administration. She has maintained a 4.0 GPA throughout her freshman and sophomore year. She is also a resident assistant for her residence building and helps students assimilate to college life.

After graduation, Miranda plans to complete her residency and become a licensed funeral director. She hopes to be able to bring knowledge and passion for funeral directing to everyone she meets.
