INTRODUCTION

Accreditation of Funeral Service Education programs is intended to help ensure that the same basic elements of funeral service education apply regardless of where a student is educated. Standards have been developed to foster this goal.

Accreditation decisions, including Candidacy, are based upon compliance with the standards. Accredited programs will be referred to as programs throughout the standards whether offered by a single purpose institution or multi-purpose institution. Provisions to address the specific characteristics of the different types of institutions and different delivery modalities do exist.

The provisions contained in the Standards are separable. If any section, sub-section, paragraph, sentence, clause, phrase, or requirement contained herein shall be held to be illegal or unenforceable, such illegality or unenforceability of such part shall not affect or in any way impair the validity, application, or enforceability of the remaining portion of that section.

ACCREDITATION STANDARDS

STANDARD 1: STRUCTURE, ORGANIZATION, and ADMINISTRATION

1.1 The institution must provide evidence that it assumes responsibility for:
   1.1.1 curriculum content,
   1.1.2 classroom teaching, distance instruction, clinical education, including clinical field experience,
   1.1.3 appointment and evaluation of faculty,
   1.1.4 policies and procedures for institutional admission, as well as program admission if that process
differs,
   1.1.5 approval by the appropriate governing authority in which it is located or within which it offers
instruction to award the diploma, certificate and/or degree(s) for which it seeks accreditation, and
   1.1.6 awarding a diploma, certificate, or degree documenting completion of the program based upon the
federal definition of credit hour (see Standard 13).

1.2 If a program is associated with, or financially sponsored by, an organization whose main purpose is other
than education, the program must provide written evidence of sufficient separation between the sponsoring
organization and the program to guarantee an effective, independent, and objective learning environment.

1.3 The governing board must be the legally constituted group which holds the assets of the institution in trust.
   It must be responsible for sustaining the institution, approving its objectives, and implementing and
   controlling the program.
   1.3.1 The institution must provide a complete list of members of the governing board.
   1.3.2 The institution must maintain the by-laws, agenda, minutes or other governing documents pertaining
to the governing board for review since the last comprehensive review. These documents must be
available for review by the site visit team.
   1.3.3 Programs must have an advisory board and maintain minutes of its meetings since the last
comprehensive review.

1.4 The authority and responsibility of each organizational component of the sponsoring institution (governing
board, campus and program administration, faculty, students) together with the processes by which they
function or interrelate, must be clearly described by means of a current constitution, by-laws, or some similar
means.

1.5 The administration of the institution and/or program must:
   1.5.1 provide educational leadership to establish good learning opportunities for students,
   1.5.2 create working conditions that support faculty productivity
   1.5.3 establish an expeditious process allowing for communication flow both downward and upward
within the organization in order for the administration to assess the achievements of its goals and
the needs of its constituents;

1.6 An institution must have a published mission and demonstrate student success relative to that mission.

1.7 Organizational charts showing the hierarchy from the governing board to the program level must demonstrate
support of mission. Organizational structure should include units related to assessment/evaluation and
distance education.
   1.7.1 A single purpose institution must be administered by a chief administrative officer, directly
accountable only to the governing board for the management of the institution. All other employees
must report directly, or indirectly, to this chief administrative officer.
   1.7.1.a This officer may also be a member of the teaching faculty, as long as the teaching load is
reduced commensurate with administrative duties.
   1.7.2 A program within a multi-purpose institution must be administered by a program director (or
comparable title) who has been delegated responsibility for the program. All other employees
assigned to the program must report directly or indirectly, to this person.
   1.7.2.a This director may also be a member of the teaching faculty, as long as the teaching load is
reduced commensurate with administrative duties.
1.8 The individual directly responsible for the funeral service education program (program director or comparable title) must:

1.8.1 be a full-time employee of the institution
1.8.2 be a graduate of an ABFSE accredited program
1.8.3 possess a valid license to practice as a funeral service professional
1.8.4 possess an academic background consistent with the position of leadership held.
   1.8.4.a. This will always involve at least the master’s degree from a regionally accredited college or university earned within five years of the date of the initial full-time appointment in funeral service education.
   1.8.4.b. For program directors earning degrees in colleges or universities outside the United States, the institution awarding the degree must have fulfilled governmental standards which in the judgment of American Association of Collegiate Registrars and Admissions Officers (AACRAO) are acceptable or similar to those of the ABFSE.

GUIDANCE for DISTANCE EDUCATION (see Appendix E for details)

Institutions with one or more program courses available through distance education must demonstrate that the program is authorized to operate where its students reside.

Institutions with 50% or more of their program available through distance education must:

- Demonstrate that distance education is appropriate to the institution’s and Funeral Service Program’s mission and purposes;
- Demonstrate how distance education is incorporated into the institution’s systems of governance and academic oversight.

STANDARD 2: PROGRAM LEARNING OUTCOMES

2.1 The mission of an ABFSE-accredited program must be to educate students in every phase of funeral service so that program graduates are prepared for entry-level employment in funeral service. In support of this mission, a program must adopt at least the following Learning Outcomes:

Upon completion of an accredited program, students will be able to:

2.1.1 Explain the importance of funeral service professionals in developing relationships with the families and communities they serve.
2.1.2 Identify standards of ethical conduct in funeral service practice.
2.1.3 Interpret how federal, state, and local laws apply to funeral service in order to ensure compliance.
2.1.4 Apply principles of public health and safety in the handling and preparation of human remains.
2.1.5 Demonstrate technical skills in embalming and restorative art that are necessary for the preparation and handling of human remains.

2.2 The Program Learning Outcomes must be in the published information sources of the program (other than brief marketing materials).

2.3 The program must assess the achievement of the Learning Outcomes both in courses and in measurements such as licensing exam pass rates and graduation and employment rates.
GUIDANCE for DISTANCE EDUCATION (see Appendix E for details)

Institutions with one or more program courses available through distance education must demonstrate that:

- Distance education is appropriate to the institution’s and Funeral Service Program’s mission and purposes.
- Curricula for the distance education offerings comparable in academic rigor to programs offered in traditional instructional formats.
- Evaluation of distance education offerings occurs, and that evaluation results are used to enhance the program.

STANDARD 3: ADMINISTRATIVE PRACTICES AND ETHICAL STANDARDS

3.1 Each institution and program must conduct their business and academic activities in an ethical manner. In this regard, each institution program must

3.1.1 publish and adhere to a personnel policy assuring equal employment opportunity for all qualified persons; maintain admissions, financial aid, and education services policies for students assuring equal consideration without regard to race, color, sex, national origin, age, disability, marital status, or veterans status; and

3.1.2 ensure that publications and advertising accurately portray the realities of the program and institution.

The catalog of each institution must give as much information as possible to include entire curriculum and program of study containing at least the following:

3.1.2.a course names and identification numbers;
3.1.2.b summary descriptions and credit hours;
3.1.2.c requirements for admission;
3.1.2.d requirements and processes for withdrawal and graduation;
3.1.2.e academic calendars;
3.1.2.f grading policies; and
3.1.2.g financial policies for tuition, fees, and refunds.

3.1.3 The institution must maintain proper records and reports as follows:

3.1.3.a Adequate and secure filing systems for student academic records must exist and policies must be in place to ensure maintenance of these records in perpetuity.

3.1.3.b Program records, such as clinical reports, surveys, affiliation agreements and accreditation-related documents must be maintained from the date of the last comprehensive accreditation visit. Institutional oversight and procedures must be in place to ensure maintenance and continuity of these records when personnel changes take place.

3.1.3.c Student academic transcripts must indicate the quality of the student’s work in each course and the extent of each course, expressed in either semester or quarter credits. Grading systems must be explained on the transcript.

3.1.3.d In the event a program ceases to function, maintenance of student and program records in perpetuity must be ensured.

3.2 Any reference by a program to accreditation in catalogs, bulletins, or other official publications and communication or other media must read as follows:

Programs in a multi-purpose institution will use:

The (name of the accredited degree program) at (name of sponsoring institution) is accredited by the American Board of Funeral Service Education (ABFSE), 992 Mantua Pike, Suite 108, Woodbury Heights, NJ 08097 (816) 233-3747. Web: www.abfse.org
When ABFSE serves as 'gatekeeper' for the single purpose institution the statement should read: (name of sponsoring institution) and the (name of the accredited degree program) are accredited by the American Board of Funeral Service Education (ABFSE), 992 Mantua Pike, Suite 108, Woodbury Heights, NJ 08097 (816) 233-3747. Web: www.abfse.org

NOTE: The reference to accreditation must name the specific program accredited by the ABFSE. If the institution offers more than one degree (or its equivalent) program accredited by ABFSE, the names of all accredited programs must appear in the accreditation statement. (This requirement is particularly important in those institutions offering other areas of instruction which are not accredited, or eligible for accreditation, by the ABFSE.)

3.3 ABFSE accredited institutions or programs which choose to offer, in addition to one or more accredited programs, unaccreditable programs must comply with the following procedures:

3.3.1 Publications describing the unaccreditable program must contain the following information: “This academic program is designed to meet specific state or professional needs. It is not accredited by the American Board of Funeral Service Education. Students graduating from this program are not eligible to take the National Board Examination or any state board examination for which graduation from an ABFSE accredited program is required.”

3.3.2 In addition, the academic transcript for graduates of unaccreditable programs must carry the statement: “This academic program is designed to meet specific state or professional needs. It is not accredited by the American Board of Funeral Service Education. Students graduating from this program are not eligible to take the National Board Examination or any state board examination for which graduation from an ABFSE accredited program is required.”

3.3.3 The requirements of Standard 3.3 do not apply to a bachelor degree completion program which requires graduation from an ABFSE accredited program as a condition for admission.

3.4 Written policies must exist which ensure due process for students, faculty, and staff, including grievance procedures, clearly defined disciplinary policies, and sexual harassment policies.

3.4.1 All written student complaints about the program that follow the institution’s or other governing entity’s stated procedure must be available for review.

3.4.2 The program must file a written response or demonstrate resolution of complaints that have been received.

3.4.3 Written student complaints are to be reported on the Annual Report.

3.5 Honesty and integrity are required of all accredited programs and each program will conduct itself in an ethical manner. Violations of ethics include, but are not limited to:

3.5.1 Providing false, misleading, or distorted information directly or by omission to the ABFSE or Committee of Accreditation (COA);

3.5.2 Engaging in illegal conduct;

3.5.3 Presenting false information to students, faculty, staff or the public;

3.5.4 Engaging in intentional conduct that is coercive to students or prejudicial to student learning or outcomes

3.5.5 Any other conduct that is generally regarded as unethical in higher education, accreditation of educational programs and institutions, or funeral service.

3.6 See also Standards 4.1 and 11.2 (if applicable) for additional topics subject to Administrative Practices and Ethical Standards.

GUIDANCE for DISTANCE EDUCATION (see Appendix E for details)

Institutions with one or more program courses available through distance education must:

- Demonstrate that policies on academic integrity include explicit references to distance education.

4.2 The program must have resources budgeted on a continuing basis that are sufficient to provide instruction, current technology, equipment, student and academic support in compliance with this manual’s standards.

4.3 The institution must have processes in place to address unexpected expenditures.

4.4 The Executive Director of the ABFSE must be notified of any unexpected expenditures or revenue shortfalls that might impact instruction or compliance with this manual’s standards.

4.5 A program in a multiple-purpose institution must have program level involvement in the budget development process.

4.6 The institution must employ acceptable accounting practices and must provide the most current audited financial statements. Any audit exceptions or advisories that appear in the most recent audit must be reported.

4.7 Institutions for which ABFSE is the gatekeeper must demonstrate a ratio of current assets to current liabilities that is at least 1:1 for the most recent fiscal year.

4.8 The financial accounting system for institutions must not be combined with financial affairs of any other organizations.

4.9 Institutions for whom the ABFSE acts as gatekeeper must maintain copies of all contracts in force since the last comprehensive review.

GUIDANCE for DISTANCE EDUCATION (see Appendix E for details)

Faculty who fail to meet the five-year requirement are not allowed to teach in any ABFSE accredited program until the degree is awarded. For faculty earning degrees in colleges or universities outside the United States, the institution awarding the degree must have met degree standards which in the judgment of AACRAO are acceptable or similar to those of ABFSE.

6.2.1.a Have on file an official transcript from the accredited funeral service program from which
the preceptor graduated plus a copy of his or her state license;

that the preceptor is licensed in the state (if the state requires graduation from an ABFSE
accredited program) with the name of the preceptor and date of the issuance of the license
maintained by the program.

6.2.2 If preceptors are used, there must be an identified certification process in place and formal
documentation that each preceptor has been properly oriented about the school's requirements
concerning knowledge base, competency, and evaluation of student procedures and criteria.

6.3 All faculty and staff must adhere to ethical practices in student-related matters.

per federal/state guidelines/definitions) in the funeral service program, and no more than 25:1 headcount for
laboratory sessions, no more than a 5:1 headcount may be maintained for each clinical embalming case and
no instructor may supervise more than 3 embalming cases at any one time.

GUIDANCE for DISTANCE EDUCATION (see Appendix E for details)

Institutions with one or more program courses available through distance education must demonstrate that distance
education faculty are appropriately qualified and effectively supported to deliver courses and evaluate students’
success in distance education courses.

STANDARD 7: FACILITIES

7.2.1 The funeral home where students receive credit must be licensed by the appropriate authorities;

7.2.2 Off-campus instruction must take place in locations which offer adequate learning space for students. In the case of instruction in embalming, the facility must be of sufficient size to allow for satisfactory participation by each student.

7.2.3 Inspections of off-campus instructional sites must occur at least once every three years or prior to each use if the use occurs intermittently over a period of several years. Inspections must also occur whenever physical changes to the facility are reported.
   7.2.3.a Inspections of off-campus instruction sites must ensure the location has a valid, current license.
   7.2.3.b Inspections must ensure that off-campus sites are clean and adequate for instructional purposes.
   7.2.3.c The inspection must ensure that appropriate equipment and protocols (drench shower, eye wash station, SDS and blood borne pathogen program, ventilation system, proper protective equipment, etc.) are in place and functioning.

7.2.4 The program must have written affiliation agreements with each off-campus instructional site. Affiliation agreements must be comprehensive and include the following:

8.2 Computer resources include computer assisted instruction materials as well as access to internet resources. The learning resources program should provide access to external computer databases.

8.3 To the extent quality and availability affect program outcomes, learning resources must be accessible to students outside of regular classroom hours. The program must require student utilization of these resources as described in institutional and program publications.

8.3.1 A written acquisition policy relevant to funeral service education must be in place and the program director and faculty must be involved with the annual acquisitions related to this program.

Institutions with 50% or more of their program requirements delivered through distance education must:

- demonstrate how recruitment and admission practices related to distance education are appropriate to the institution's and the Funeral Service Program's mission and purposes;

STANDARD 10: PROGRAM PLANNING AND EVALUATION / ASSESSMENT

10.1 Each accredited program must have a continuous system of planning and assessment in place to measure its effectiveness and to implement necessary improvements.

10.1.1 Each accredited program must have a documented plan which incorporates guidelines, procedures, and methodologies of planning and assessment. The plan must:

10.1.1.a assess the program's learning outcomes.
10.1.1.b be in writing and approved by the appropriate administrative authority.
10.1.1.c contain provisions for periodic review and revision.

10.1.2 Each accredited program must establish a comprehensive, ongoing system of planning and assessment that ensures instructional quality and documents student outcomes. The assessment plan and system must include:

10.1.2.a Provisions for collecting, maintaining, and analyzing data since the last comprehensive review.
10.1.2.b Methods for continuous feedback from students, faculty, and other constituents.
10.1.2.c Regularly scheduled student evaluations of courses and faculty;
10.1.2.d Regularly scheduled supervisory evaluation of faculty and program administrators;

10.2 If the program has been evaluated previously by ABFSE, the program must document actions since the last review to correct any deficiencies that may have been cited in reference to the Standards.

10.3 Since the last comprehensive review, the program must maintain, calculate, and explain how it has utilized the following data for planning and assessment purposes:

10.3.1 Pass Rates on the National Board Examination (NBE): Accredited programs must report statistics for both the “Arts” and “Sciences” sections of the National Board Examination on the Annual Report.

10.3.2 Graduation rates: New Enrollees will be reported as a cohort when they enter the accredited program and tracked to graduation.

When students complete 50% or more of the degree program they will be tracked to graduation for calculation of the timely graduation rate. From this point, completion in 150% of program length will be considered timely graduation.
10.3.3 **Employment rates:** Graduate employment data must be provided on the Annual Report. Job placement is to be calculated within six months of each student’s graduation. A survey done at graduation will be accepted as ‘within 6 months.’ Students for whom no data is available will be considered not employed. Funeral service-related employment, active military duty, or enrollment in further higher education count as employment for this calculation.

10.3.4 Graduation, employment and NBE pass rates must be separately calculated for students who take 50% or more of their courses through Distance Education. The rates for traditional and distance education students will be considered both combined and separately in accreditation actions.

10.4 Programs must maintain at least a 60% three (3) year average pass rate for first-time takers of the Arts and Sciences sections of the NBE.

10.4.1 A program with a single year NBE pass rate below 60% on either or both sections of the NBE receives a warning, is subject to additional monitoring and must submit a report to the Committee on Accreditation by March 1 of the following year. The report must analyze the reason(s) for the substandard pass rate and detail plans for improvement. Failure to submit a satisfactory report may lead to negative accreditation action. An institution with sporadic rates will be reviewed and may be subject to comparable reporting action as identified above.

10.4.2 Three-year average NBE pass rates below 60% will result in the following action:
10.4.2.a first year: Probation.
10.4.2.b second consecutive year: Accreditation is withdrawn unless good cause is shown to continue accreditation. (Show Cause)

10.5 Programs must maintain at least a 60% 3-year average graduation rate.

10.5.1 A program with a single year graduation rate below 60% receives a warning, is subject to additional monitoring and must submit a report to the Committee on Accreditation by March 1 of the following year. The report must analyze the reason(s) for the substandard graduation rate and detail plans for improvement.

An institution with sporadic graduation rates will be reviewed and may be subject to comparable reporting action as identified above.

10.5.2 Three-year average graduation rates below 60% will result in the following action:
10.5.2.a first year: Probation.
10.5.2.b second consecutive year: Accreditation is withdrawn unless good cause is shown to continue accreditation. (Show Cause)

10.6 Programs must maintain at least a 60% 3-year average employment rate.

10.6.1 A program with a single year employment rate below 60% receives a warning, is subject to additional monitoring and must submit a report to the Committee on Accreditation by March 1 of the following year. The report must analyze the reason(s) for the substandard employment rate and detail plans for improvement.

An institution with sporadic employment rates will be reviewed and may be subject to comparable reporting action as identified above.

10.6.2 Three-year average employment rates below 60% will result in the following action:
10.6.2.a first year: Probation.
10.6.2.b second consecutive year: Accreditation is withdrawn unless good cause is shown to continue accreditation. (Show Cause)

9-15
10.7 Substandard rates for two or more outcome metrics in the same year (graduation, employment and NBE pass rates) will result in the following action:

10.7.1 first year: Probation

10.7.2 second consecutive year: Accreditation is withdrawn unless good cause is shown to continue accreditation (Show Cause).

10.8 The pass rate of first-time takers on the National Board Examination (NBE), and program employment rates and graduation rates for the most recent three (3) year periods will be posted in the Directory of Accredited Programs on the ABFSE website.

10.8.1 So that the public and prospective students can easily access these statistics, programs must maintain up to date rate information provided by the ABFSE on the program website.

10.8.2 The following statement must also appear in the institution's catalog: “National Board Examination pass rates, graduation rates, and employment rates for this and other ABFSE-accredited programs are available at www.abfse.org in the Directory of Accredited Programs.

10.8.3 Accredited programs in which students take 50% or more of their courses via distance education must also post NBE pass rates, graduation rates and employment rates for this modality – effective for 2020 calendar year data.

10.8.4 Institutions failing to comply with Standard 10.8 will be placed on probation immediately. Continued non-compliance may lead to the removal of accreditation.

GUIDANCE for DISTANCE EDUCATION (see Appendix E for details)

Institutions with one or more program courses available through distance education must demonstrate how the institution’s and the Funeral Service Program’s plans for developing, sustaining, and, if appropriate, expanding distance education offerings are integrated into its regular planning and evaluation processes and its system of governance and academic oversight;

Institutions with 50% or more of their program offered via distance must demonstrate how the institution and the Funeral Service Program evaluates the effectiveness of its distance education offerings, including the extent to which the distance education goals are achieved, and how the results of its evaluations are used to enhance the attainment of the goals.

STANDARD 11: DEFAULT RATES IN THE STUDENT LOAN PROGRAMS UNDER TITLE IV and COMPLIANCE WITH TITLE IV PROGRAM RESPONSIBILITIES

(Only single-purpose, non-regionally accredited, funeral service institutions, for which ABFSE serves as ‘gatekeeper’ in order to participate in Title IV Higher Education Act programs, must respond.)

11.1 Single purpose institutions for which the ABFSE serves as “gatekeeper” must also demonstrate compliance with all obligations under Title IV, including results of compliance audits and program reviews. (See Appendix F)

11.2 Recognizing the primary role of financial aid auditors to ensure compliance with Title IV, COA will limit their review under this standard to the following:

11.2.1 Examination of the most recent three years of financial aid, including any audit exceptions.
11.2.2 Default Rates for the Title IV Student Loan Program for the years since the last accreditation review, as reported to the college by the US Department of Education.
11.2.2.a For institutions in which most recent rates are above the federal guidelines, plans to bring rates into compliance must be reported to the ABFSE office.

11.2.3 The most recent financial aid audit and default rate info (as indicated in 11.2.1 and 11.2.2) will be attached to the Annual Report each year to be reviewed by a sub-committee of the COA.

11.3 Any adverse communications relative to Title IV eligibility must be reported to the ABFSE office in a timely manner (within 30 days of receipt).

11.3.1 Non-compliance with Title IV obligations will be considered in ABFSE accreditation decisions.

STANDARD 12: PROGRAM LENGTH, TUITION, AND FEES MUST RELATE TO SUBJECT MATTER

(Only single-purpose, non-regionally accredited, funeral service institutions, for which ABFSE serves as ‘gatekeeper’ in order to participate in Title IV Higher Education Act programs, must respond.)

12.1 The Institution must demonstrate that the subject matter taught relates reasonably to tuition and fees charged and to length of the program. Documentation must include length of program(s) and the number of hours and the corresponding tuition and fees for each program.

STANDARD 13: PROGRAM LENGTH IN CREDIT HOURS

(Only single-purpose, non-regionally accredited, funeral service institutions, for which ABFSE serves as ‘gatekeeper’ in order to participate in Title IV Higher Education Act programs, must respond.)

13.1 The Institution must demonstrate that its program is defined in standard credit hour terms, either semester hour or quarter hour following the current Department of Education definition of credit hours.

13.1.1 The Federal Definition of Credit Hour is found in 34 CFR 600.2 and 34 CFR 668.8(k) and (l); see also DCL ID: GEN-11-06: Credit hour is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than:

- One hour of classroom or direct faculty instruction and a minimum of two hours of out of class student work each week for approximately fifteen weeks for one semester or trimester hour of credit, or ten to twelve weeks for one quarter hour of credit, or the equivalent amount of work over a different amount of time; or
- At least an equivalent amount of work as required in paragraph (1) of this definition for other academic activities as established by the institution including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours.

13.1.2 Institution must provide evidence of how credit hours are measured/calculated and how the program’s hours are distributed by term. This should be done for on campus as well as distance education programs.
